FOREWORD

THE coins now offered for sale need no introduction, all having been sold at the sales of the R. C. Lockett collection, where this selection of English and Scottish coins was purchased by a member of the Lockett family.

Every coin is given a relative Lockett lot number and, in spite of the fact that photographs, or catalogue illustrations, of all Lockett coins are available, the catalogue is generously illustrated. Provenances are given where possible and the references to early auction sales have been carefully checked. Many English gold coins were acquired from the Carlyon-Britton collection (purchased privately by B. A. Seaby Ltd., c. 1936) and many Scottish silver coins were acquired from the Bearman collection (purchased privately by ourselves, c. 1922). The tickets which give this and other information are sold with the coins.

All the English coins have references to North and Seaby and specialist works quoted are listed under the reign headings: Scottish coins have references to Burns, Seaby and Stewart.

In the Foreword of the catalogue of the 6th March future Glendining policy regarding sales of material of particular merit was outlined. Following precedent set on that occasion, the cover of this catalogue is not of the traditional Glendining format but of individual design with our name — as cataloguers and agents for the seller — appearing in association with that of the auctioneers.

PETER MITCHELL,

A. H. BALDWIN & SONS LTD.

SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

CATALOGUE SUBSCRIPTIONS

Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of "Prices Realised" are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Realised" will probably be enclosed in a following Sale Catalogue.

Subscription Rates

(commencing from 1st January)

Coin Catalogues and subsequent list of Prices Realised	£3.00 per annum
Naval & Military Medal Catalogues and subsequent list of Prices Realised	£0.75 per annum

(Reductions for new subscribers commencing after 1st April.)

All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

AIR MAIL

To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases an additional £2.00 should be sent as a deposit and we will advise when this is exhausted.
